PERSONAL PROFILE

Working with several brands since 2019. For me, being in creative industry for 4 years, client's satisfaction and my relationship with them are the most important gem that i am keeping since i started my journey as Video editor. I always put my 100% efforts with integrity and consistency. I do believe that being skilled is something you can learn anywhere but being an expert with positive behavior are hard to find. You are lucky! You just found one.
